# Where Have All The Knights Gone???

*Recollection upon days and **Knights** gone by,  
each memory that upon us does descend,  
Leaving impressions inside our souls,  
to feed our hearts and minds again and again.*

*A few friends that made their way into our hearts,  
along with the foes that tore us down,  
All have made footprints in our lives  
and gave us memories to recollect upon.*

*Certain places and things that we have encountered.  
Each memory has been recorded into our hearts.  
All the little trifles that upon us, we bore,  
left impressions that can never be erased.*

*A few loves that made our days a little brighter,  
along with the ones that made our nights sheer ecstasy.  
Still the ones that hurt us to remember to this day,  
have all left footprints in varying degrees.*

*Ahhh, the footprints of our lives that have  
made it into our hearts and souls and minds,  
like an address book outdated, are still there,  
but unable to use in the present time...*

*Throughout this bound collection of memories the Saint Michael's College Knight has been randomly placed to symbolize and remind you of the "days and **Knights**" here at Saint Michael's. Each member of the graduating class of 1998 has left a positive mark here at Saint Michael's College. We, the college community, are very proud of your individual accomplishments and wish you the best of luck in your future. We would like to extend to you our thanks for the memories that we have shared. We wish you farewell and wave good-bye knowing that we too will be waving hello someday.*

# Memories That Should Not Be Forgotten

## Hail St. Michael's

“Hail St. Michael’s proud and strong,  
We your loyal sons and daughters salute you.  
Sing your praises now in song, Glory to St. Michael’s.  
Near Mt. Mansfield, Fortress high,  
’neath Vermont’s blue vaulted sky,  
Stand forever staunch and true, Alma Mater, we salute you.”

## *The Purple & Gold!!!*

### Close to Heaven

“Close to Heaven rise St. Michael’s storied walls.  
Purple peaks and clouds of gold surround her halls.  
Close to Heaven climb the hearts of Michael children.  
Winged with love and pride beyond mere tongue or pen.  
Lonely ways tho’ we may walk our spirits fly;  
Let our song soar, Let it echo-----Mountain high.  
Close to Heaven, valiant Michael, steer our flight;  
Keep each child, while life remains, your worthy Knight.”

# Dave Landers

Like most college professors, David Landers has a computer, books, and a desk in his office. But Professor Dave Landers differs from other professors because of his office walls. Across the walls are pictures of Saint Michael's students from the past to the present. It is only fitting because it is the students who are Dave's passion. If he is not teaching psychology or playing racquetball, you can find Dave

Landers laughing with or consoling students. He serves as a teacher but also as a friend.

When he is not advocating students, Dave is making the campus aware of the A.I.D.S. virus. The A.I.D.S. quilt was brought to Saint Michael's College in 1996 and Prof. Landers was one of the people responsible for its arrival. Dave also is an advisor to the A.I.D.S. theme house on campus. Dave helped the

house plan and organize their activities to broaden the campus' awareness of A.I.D.S.

"If there is one person on campus that overstretchs themselves and will do anything they possibly can to help, it is Dave Landers," said senior Ryan Peterson, a member of the A.I.D.S. house in 1996-1997.

When the college is quiet during the summertime and the students are gone, Prof. Landers still continues as a teacher of the college. Dave is an avid member of the Pre-Orientation Weekends (P.O.W) that occurs during the summertime. Dave participates in these trips and gives talks to these first year students.

If you did not know Dave Landers well, you might not be quite sure which department he actually belongs too. He is also involved with the athletic teams, the resident advisor staff, and basically anything that occurs on this campus. Even though Prof. Landers is stretched out in

one hundred different directions, he manages individual time with the student body at Saint. Michael's.

"Dave is an educator, advocate, counselor, and friend to the students at Saint. Michael's College. He is unselfish and unsparing in his commitment to making this college a safe and nurturing environment for all members of our community," said Donna Atwater, career development counselor at Saint Michael's College.

*-Scott Croteau, Senior Editor's Note:*

Dave Landers has always contributed to the Saint Michael's College yearbook by submitting pictures that are taken out of love and compassion. His pride in the students' role on campus is evident and shows through in the pictures that he has so elegantly taken. We appreciate his contribution and thank him so much for making our yearbook shine with the images of our seniors.

*-Amy Silvia, Junior*

## President Marc A. vanderHeyden

In Marc A. vanderHeyden's second year, he began to look into the future for St. Michael's College with a vision for the college's centennial. In the proposed mission statement and strategic vision for St. Michael's College 2004, vanderHeyden reaffirms the value of a liberal arts education in a residential setting. As President, vanderHeyden is striving towards increased recognition and esteem of our small Vermont college. From his global background, vanderHeyden brings a renewed commitment to global education, global understanding, and global involvement to the college. Through the example of the Edmundite foundation, the community of the college is developing with the whole student in mind and the student is developed intellectually, physically, emotionally, and spiritually. With the increasing technology, growing diversity, open discourse, and underlying respect, President Marc A. vanderHeyden seeks to build upon the strong tradition of St. Michael's College.

Scholarship is to be created not by compulsion, but by awakening a pure interest in knowledge. The wise instructor accomplishes this by opening to his pupils precisely the attractions the study has for himself.

# DIANE FOSTER

*“Diane was a wonderful witness to our community. Her dedication and commitment will always be an inspiration to me.”*

*-Rev. Michael Cronogue, S.S.E.*

“Diane had many talents, but used them for one purpose only: to draw people into the spiritual community of the Church.

*-Rev. Marcel Rainville, S.S.E.*

“Every day people come into our lives in order to pass something along: wisdom, love, compassion...Some of these people pass by us without our even knowing it and some change our lives forever.

I carry all the things Diane has taught me close to my heart and I thank God that He brought a compassionate and giving person into my life.”

*-Christina Dailey, Junior*

“I have great memories of Diane. Like the way you could tell she had a funny story in her head, twinkling in her eyes, and she almost couldn’t contain it. And when she shared it, you felt happy simply because of the way her joy affected you. When she laughed, you knew that God was laughing through her. But Diane didn’t tell an anecdote, she shared herself. Each time I would be aware of the privilege I had in knowing her.”

*-T.J. Matarazzo, Senior*

“A friend once said to me, ‘whenever I look at the picture on her wall called “Jesus Laughing,” I see Diane’.”

*-Anna Patnode, Senior*

“I often think that people we have loved and have loved us,

not only make us more human, but they become a part of us,

and we carry them around with us all the time whether we see them or not,

and in some ways, we are the sum total of those who have loved us and those we have given ourselves to.”

*-Author Unknown*

"She was also the sparkle of the office. Her sense of humor never quit; she could find the light side of any situation."

**-Sherry Mahady,**  
*Administrative Assistant, Campus Ministry*

"One of the main reasons I chose Saint Michael's College was so that I could continue my involvement in Youth Ministry on the college level. Diane became the woman who made that involvement a reality. I know I would not be the person I am today without the guidance, strength, and love of Diane."

**-Randy Orso, Senior**

"She never made me feel rushed but instead devoted her entire attention to me. No matter how busy she was, she always found time for anyone."

**-Cheryl Messier, Sophomore**

"My mother has always talked to me about how we are all called to be instruments of God's love and Diane is a perfect example of this. And through her example I was encouraged to try and become an instrument of God's love to others. She just has the ability to give people courage which was just one of her many gifts."

**-Jennifer Piqueira, Senior**

"My two biggest prayers in regard to Diane that I have are that she rest in peace in the Kingdom of God forever, and that her spirit may continue to live here on earth, inspiring us all to continue the great work she did for us here at SMC."

**-Jim Donegan, Senior**

"We are going to miss her deeply. She had an impact on so many people not just on the campus, but in the community."

**-Marc vanderHeyden, President of Saint Michael's College**

"She whom we love  
and lose  
is no longer  
where she was before.  
She is now  
wherever we are."

**-S. John Crisostom**

"Diane Foster was a gem!...She was sensitive and caring and totally dedicated to the Church's pastoral mission both at Saint Michael's College and in the Burlington Diocese. Diane is tremendously missed."

**-Fr. Ray Doherty, S.S.E.**

"She was the glue that held us together. Her connections and networks are invaluable, and her death has left a gap in our community and my heart."

**-Rev. Michael Cronogue**

"My fondest recollections of Diane are connected to athletics. This past summer, Diane was the driving force behind our Alliot Angels softball team. Diane could play every position, and teach others how to play every position. Unfortunately, we did not always play as well as she did. Yet, Diane was very upbeat, enthusiastic and most of all, very welcoming to all of us."

**-Ann Giombetti, Director of M.O.V.E**

### Just a few of Diane's Accomplishments

-Coordinator of Religious Education Nativity Parish in Swanton, Vt. and St. Thomas Parish in Underhill, Vt.

-Campus Minister, Catholic Center at the University of Vermont

#### *For the Diocese of Burlington*

-First chair of the Bishop's Commission on Women

-Chair of the ecumenical group for the Millennium Committee

-Member of the steering committee of the Lay Ministry Training Program

#### *At Saint Michael's*

-Member of the Partners in Ministry

-Director of Family Religious Education

-Director of the Emmaus Program

-Active in the rite of Christian Initiation of Adults

-Coordinator of the Adult Scripture Program

-Founding member of Potigny, a study with the purpose of sharing and reflecting within the context of the academic community.

# *You will be greatly missed.*

## **Dr. William Tortolano & Dr. Arthur Hessler**

### ***Dr. William Tortolano***

Dr. Tortolano earned a doctorate in sacred music from the University of Montreal and received a number of awards and honors including a National Endowment for the Humanities fellowship at Yale University and membership at the High Table, King's College and Trinity College of Cambridge University in England.

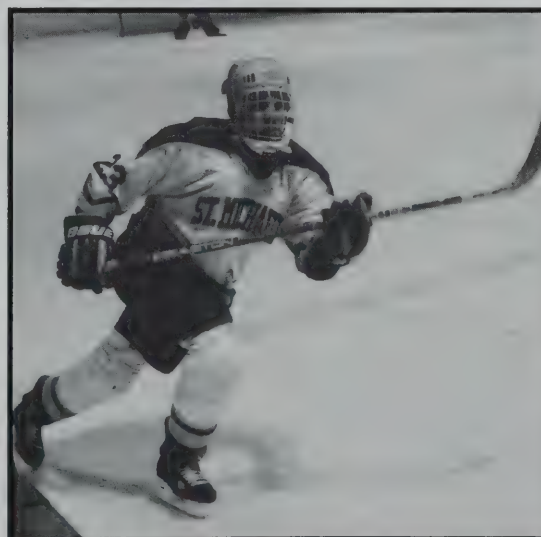

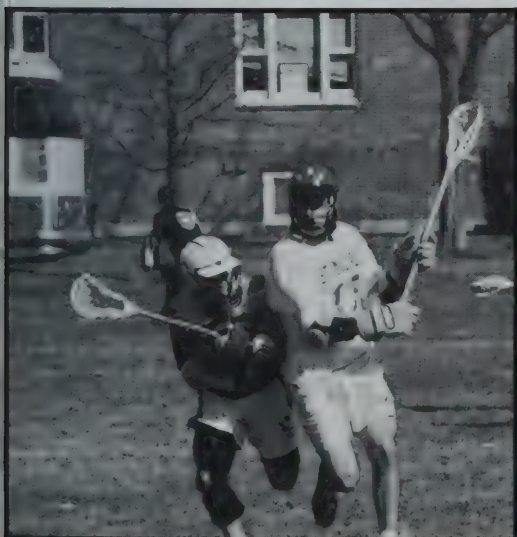

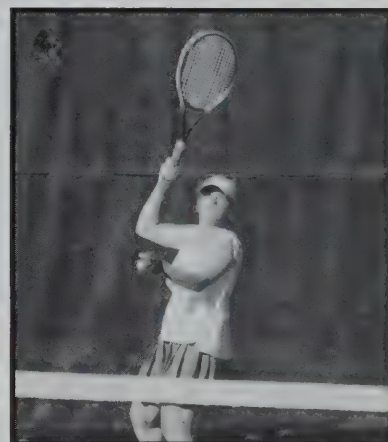

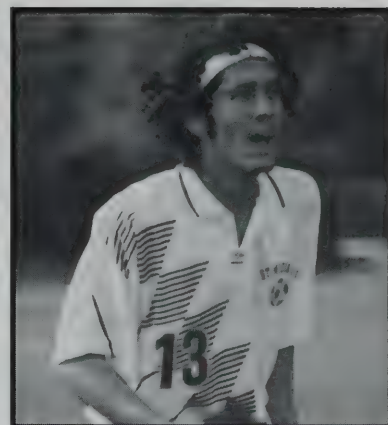

Dr. Tortolano, a professor of fine arts here at Saint Michael's College, showed the glory of traditional music and taught his students to "lift their voices in celebration of musical masterworks.:" "For over 38 years, Bill Tortolano has nurtured the musical life of the Saint Michael's community," said Dr. William Grover. William Tortolano's directing of the Saint Michael's College Chorale is legendary, providing the community with a wonderful annual Christmas concert and giving the singers a profoundly rich musical experience. Dr. Tortolano's Chorale also performs regularly in special concerts in Montreal and throughout New England, always generating enthusiastic response.

### ***Dr. Arthur Hessler***

Currently associate dean of Saint Michael's College, Dr. Arthur Hessler has served as the chair of the biology department and on various campus committees including admissions, student policy, finance and budget, faculty welfare, curriculum and educational policy and faculty council. Overall, Hessler has been a member of the Saint Michael's Community for over 27 years.

Hessler was the first to receive the excellence in teaching award 12 years ago at the 1986 academic convocation. Since then his teaching interests have led him towards teacher training programs that have been supported by Eisenhower grants. Most recently, he has been principal investigator of a five-year, \$700,000 National Science Foundation (NSF) grant for "The River Program."

# Men's Soccer

The Saint Michael's Men's Soccer Team began their 1997 season with a new full time coach Tim Kaleita. This is the first time in the program history that a full time coach has been assigned to head the team. Kaleita, a 1990 graduate of University of Vermont, experienced his first season in the head coaching position. The team welcomed the coaching change, and responded enthusiastically with emotion and work ethic.

The Knights logged their first victory with a win over Castleton 3-0, Chris Mohr scored two goals and senior Sean Parsons had one as well. Early in the season the Knights faced two nationally ranked opponents one C.W. Post and the other Southern Connecticut in Southern's Autumn Classic. The men lost both games but learned a great deal facing stiff national competition. The season had its ups and downs but the men finished strong. Seniors Rich Brannigan, Chris Parent, Sean Parsons, and Andrew Pywell won their last home game by beating Assumption in an emotional 3-0 victory in front of their supportive home crowd, which included friends and families. The last game of the season was played at AIC in cold and windy conditions. The Knights finished strong winning 5-1 with two goals from Sean Parsons and Sean Preston and one from Mike De Franco.

Seniors Andrew Pywell (captain), Chris Parent, Sean Parsons, and Rich Brannigan (captain) played the season with heart, always putting forth their best effort. Barring injury, the seniors started and contributed in every game, the seniors became team leaders helping this young team mature throughout the season.

# Women's Soccer

### **“What We Got!”**

Members of the women’s soccer program are not just members of a team, but of a family. We have some wonderful traditions of tailgates at EVERY away game, great parent support, and a special appreciation of one another. Several of these long time traditions were supported by Azzie, the Women’s Soccer coach for over nine years here at St. Mike’s.

The 1997-1998 soccer season was a time of adjustment and growth with the introduction of a new and energetic coaching staff. A high moment for our team came at the Lemoyne game in Syracuse, NY. After a morning marathon to wake up our legs from a long and adventurous bus ride, we found ourselves tied and going into overtime. This particular game was special because it was a big NE-10 game, as well as a game in which Shelly Bougor would be a new record-setter if she scored. Not only did we win in overtime, but it was Shelly’s record breaking goal that gave us the win.

For many years when you thought of SMC Women’s Soccer, you thought of Azzie. Azzie is an exceptional person who has given tremendously to this college, to both the men and women’s soccer programs, and to each and every player he has ever coached. There is not a one of his players that does not look back on their soccer years at St. Michael’s, and have fond memories, and a tradition we will not soon forget, is seeing his smile at the infamous preseason 5:00 am practices.

We want to wish the best of luck to Coach Melissa Eagan in the years ahead. Be confident and keep pushing your players to their limits. To our teammates, past and present, WE LOVE YOU. Remember to always have fun, support each other, and that “it’s just 90 minutes, girls” <insert Azzie accent>! Good luck!

Your seniors,

Caroline Riehl, Danielle Tomko, and Shelly Bougor

# Women's Field Hockey

Captains Meg Rowe and Nicki Collette led the SMC Field Hockey Team. They finished their 1997 season 3-3 in the Northeast- 10 and 8-11 overall. After losing twelve seniors, the Lady Knights still managed to make their second straight appearance in the NE-10 conference play-offs falling in their semifinal round to Bentley, 1-0.

Meg Rowe, the only senior, completed her four year career with 51 points (21 goals and 9 assists) ranking tenth on the all time scoring list. This season she was named to the National Field Hockey Coaches Association Division II All-American Team and was selected to play in the North-South Division II All Star Game held at UCONN.

Along with Rowe, Seanna Poelaert and Kara McDonough were the leagues top NE-10 leading scorers. Poelaert was named to the National Academic Squad and McDonough and Collette both earned spots on the NE-10 All Conference Team.

The success of this years team was achieved by the strong friendships and the love for the game. Losing the only senior, Rowe, the small squad of fourteen, will be led by next years captains Collette, Erin Walker, and Kelley Fitzgerald.

# Cross Country

The Women's Cross Country team doubled in size with help of the first year students: Colleen Gallagher, Marcella Cassiani, Christine Murry, Christine Sweet and rookie, sophomore, Amie Rennie. Veteran runners Sarah Doran, Marta Hallgren, Mandy Dietrowski and Deb Tirrito lead the St. Michael's pack. Head coach Steve Dowd and captains Meghan Noonan, Caitlin Chaffee and Amy Vile brought great support and team spirit to the team. The women's team enjoyed and greatly deserved their fourth place finish in the North East ten. No one won a race and no came in last, but all had a fabulous season and are ready to tear up the course next year. "It's not a miracle that we had the courage to start the race. It's a miracle the we had the courage to finish."

The Men's Cross Country team experienced a successful season in 1997 placing second in the Vermont College State Meet. We hosted the NE-10 Conference Championship, which was held at Catamount Family Center in Williston.

The Men's team won two meets in 1997. The first came at St. Michael's Invitational in September, with Senior Co-Captain Adam Ashe, Sophomore Sean Rooney and Junior Co-Captain Tony Carbrello finishing 3-4-5. St. Michael's also tied for first with the Community College of Rhode Island at the Stonehill Invitational in October. Senior Bob Bergeron finished fourth overall at Stonehill and the Vermont College State Meet, leading the team in both efforts.

Bob was voted "Most Valuable Runner", and Adam and Tony received the "Coaches Award." First year student Austin Hendrix was voted "Rookie of the Year", and Junior Steve Doherty was voted "Most Improved." Steve and Tony will lead next year's team as captains, unfortunately without the coaching experience of Zaf Bludevich. Due to administrative reasons, Zaf stepped down as coach when the season was done. While his expertise, energy, and enthusiasm will be missed the team looks to return some quality runners and have a fun season in 1998.

# Men's Rugby & Golf

## Men's Rugby

This year's team was different than those in the past. With only six seniors, we lacked experience but made up for it with heart and determination. This was never more apparent than during our victory against our local rivals UVM. This was the first time St. Michael's has ever beaten UVM in a rugby match. With the new board of officers and returning players, the future looks very bright for this program.

~ President Brendan Rynne '98

# Women's Rugby

### SMC RFC R-E-S-P-E-C-T

With an astounding number of 46 women on the roster, the St. Michael's Rugby Football Club made some amazing strides in competition and in team unity this year. In its fifth fall season, the club displayed class, competitive team play which earned the women a sport in the New England Rugby Football Union Women's Collegiate tournament in Hartford, Conn. Finishing the regular season with a 3-2 season, the team advanced to the playoffs, grabbing a third place finish, the first time in St. Michael's History.

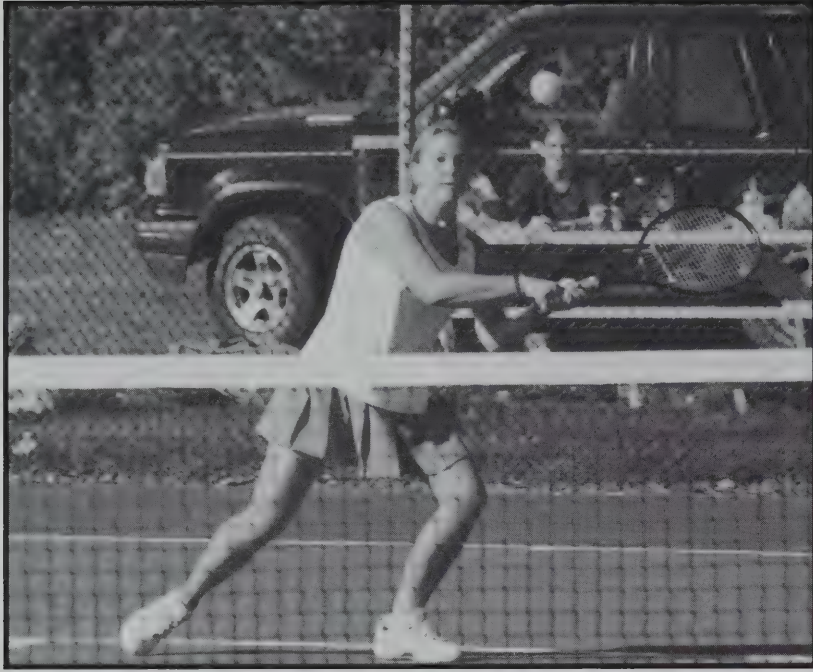

Unity flourished this season, which heightened the team's strength both on and off the field. Possibly, the camaraderie was prompted by having weekly pasta dinners, starting a "little rugger-big rugger program", slipping and sliding on mud filled fields or inventing new songs about love for rugby to sing at the end of each day's practice. Or perhaps it is the fact that there are no superstars in the game of rugby; there are only members, running, passing, tackling, rucking and mauling--TOGETHER.

The team would like to thank the overwhelming support of the fans who came out to the games, even in the most unfavorable weather and the institution respecting and supporting women's rugby at St. Michael's. We also wish to thank Coach Doug Facey for sharing his love of rugby, his skills and his time. Lastly, thank you to the women who come out to play that have never even touched a rugby ball in their lives, but they come to play anyway.

# Women's Tennis

The Saint Michael's College Women's tennis team had a great season finishing 6-5 overall and 5-5 in the NE-10. Freshman Mandy Puskas set a new singles record for most wins in a season. Sophomore Kelly Spellman also had a winning season at number one singles winning 10 out of her 13 matches. Co-captains Nicole Auclair and Simone Hofmann had a challenging season at second doubles. They had 26 wins during their four years at SMC.

The passion and enthusiasm for this tennis program comes from our fantastic coach Steve LaTullipe. Without him we still would be searching for the whale. Heather, Chandra, Amy S., Jennifer, Amy M., Sue, Kelly, Julie, Maura, Mandy, we will miss your smiles. We wish the SMC women's tennis program continued success and remember ladies, you win as a team and you loose as a team because you all make a difference.

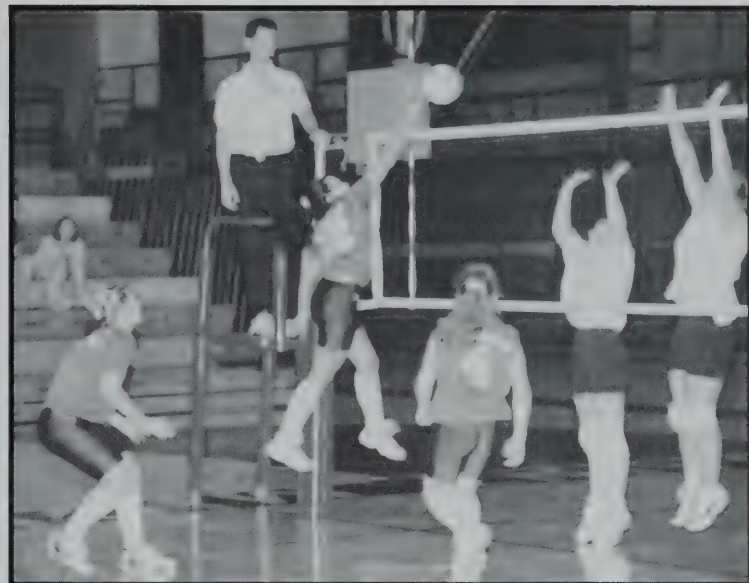

# Women's Volleyball

Nineteen ninety seven was a rebuilding season for the Lady Knights. This youthful team of four freshman, two sophomores, and one senior was led by senior co-captains Nicki Brown and Annalyn Gilchrist. Although the Lady Knights faced many challenges, team members and spectators alike would agree that their record is not indicative of the team's overall performance. Many times, the ladies would play a maximum of five games, often ending with a win or loss margin of two points. The team would like to express its gratitude to family and friends who have been loyal fans throughout the years.

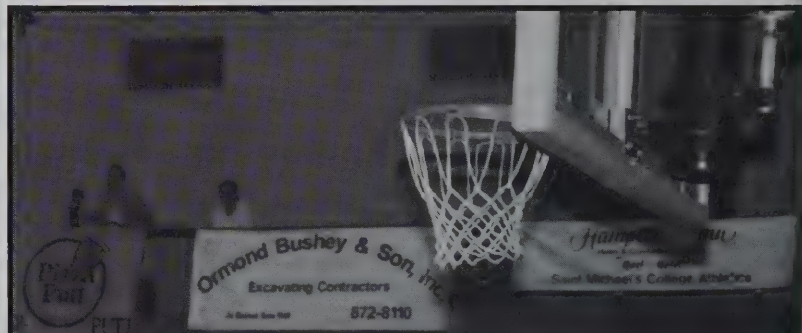

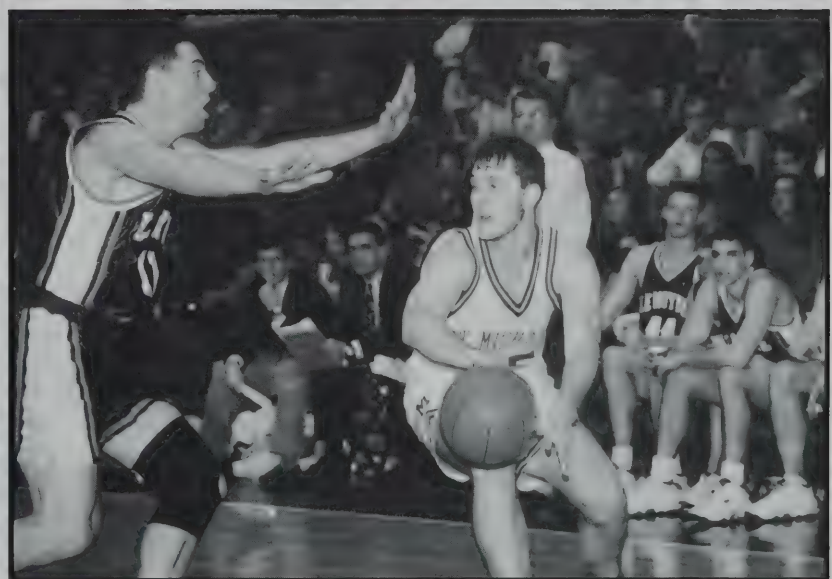

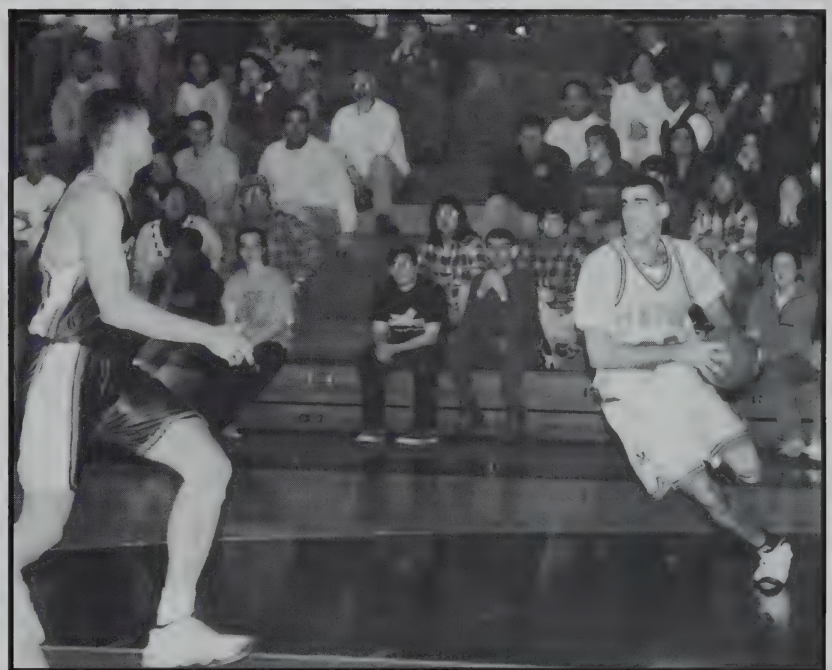

# Men's Basketball

# Women's Basketball

The 97-98 season for the Lady Knights Basketball team was one of adjustment and success. They combined an overall record of 10-16, 7-13 in the Northeast 10. What appears to be a mediocre record was really a season when the Lady Knights broke out of a slump. Lone senior and CO-captain Diana Koehler was sidelined after the first six games for the rest of the season, while injuries to Holly Paterson and Melissa Rowe also plagued the team. But even injuries like these and others that kept players out of a few games over the course of the year, could not rattle the Lady Knight. As the motto of their season states, "Choice not chance determines destiny," paved the way for the rewards they achieved.

A time came when everyone started learning their roles and playing better and soon enough things were falling into place. The story of their season was responding to pressure and to the circumstances that they were presented with. Junior. Co-captain Kelly Borch had an amazing season and led the nation in blocked shots, which earned her several NE-10 Weekly honor Role nominations, and spots on the All NE-10 Conference and ECAC conference teams. Sarah Ferland, junior Co-captain averaged 7.7 [points, 3.3 rebounds and 6.5 assists per game as the point guard and finished second in the league with assists per game. The big surprises came from the sophomore class of Tara Clark, Christine Frauton, and Melissa Rowe, who were three of the five starters for this young team. Tara Clark made a breakthrough this year and ended up the team's leading scorer with 13.6 points and 8.2 rebounds per game. All five will be returning next year as will juniors Beth Drociak and Becky Adams who also contributed greatly. In a year that the Women's Basketball team was picked to finish last in the Northeast 10, they surprised a lot of people and had a few upset wins in order to finish in seventh place and made their season a successful one.

# Nordic & Alpine Skiing

Nineteen ninety eight was a successful season for the Purple Knights as it boasted a record of 26 members, all of whom are freshmen and sophomores. Sophomore captains Keith Farnard and Stephanie Mackey led the team throughout the season. Problems plagued the Knights early in the season though as Scott Fleckenstein and Stephanie Mackey were placed on the disabled list. Fleckenstein would recover for the end of the season; however, Mackey was unable to return from a multiple fracture of the lower leg. Despite the loss of two of the strongest members on the team, the younger teammates stepped up to fill the void and help the team to a successful season. Keith Farnard led the team throughout the season with numerous top ten performances. His outstanding results qualified him for the college nationals in Montana, where he placed 13th in the slalom. Overall, the team finished 8th in the final standings as a result of everyone's hard work and the coaching efforts of Andrea Weaver. The Knights look forward to improving again next year with a stronger, more experienced team.

# Women's Ice Hockey

The second season for the women's ice hockey team proved to be a season of firsts as the women posted their first win, defeating Norwich 9-5. Under the leadership of captains Liz Zona and Gretchen Hooper, the team continued to increase their skills, and have a great time doing it. Throughout the season, the team gave impressive performances against Clarkson and Skidmore, culminating in the win over Norwich.

A good amount of the team's success can be credited to the captains, as well

as seniors Danielle Grondin, Kristy Sweeney, Sarah Blodgett, April Johnston, and of course, goalie Holly Cressman. These women, along with the rest of the team, despite 6 am practices and scheduling difficulties, showed an increased amount of dedication to the sport and to the team. The season started off a little rocky, but due to the commitment of the women, it ended on a high note.

These women should also be congratulated for acquiring recognition into

the Student Association. This year the ladies became a club, which enables them to do more and receive more practice time on the ice. With this recognition our ladies will only improve in their performance. Congratulations ladies!

Thanks to the help and guidance of Coach Judy Valente, and assistant coach, Brian Ruck, the women posted their best season thus far, and with fifteen returning players, they are looking to the future with excitement and hope.

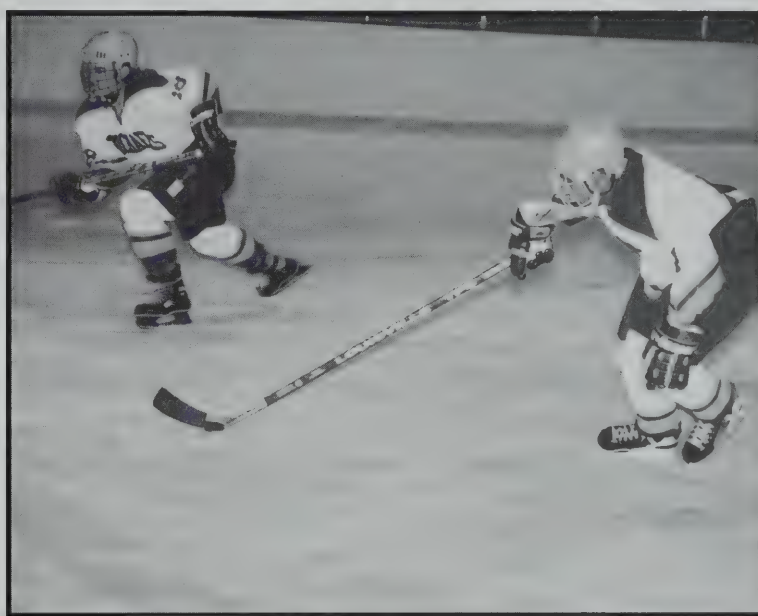

# Men's Hockey

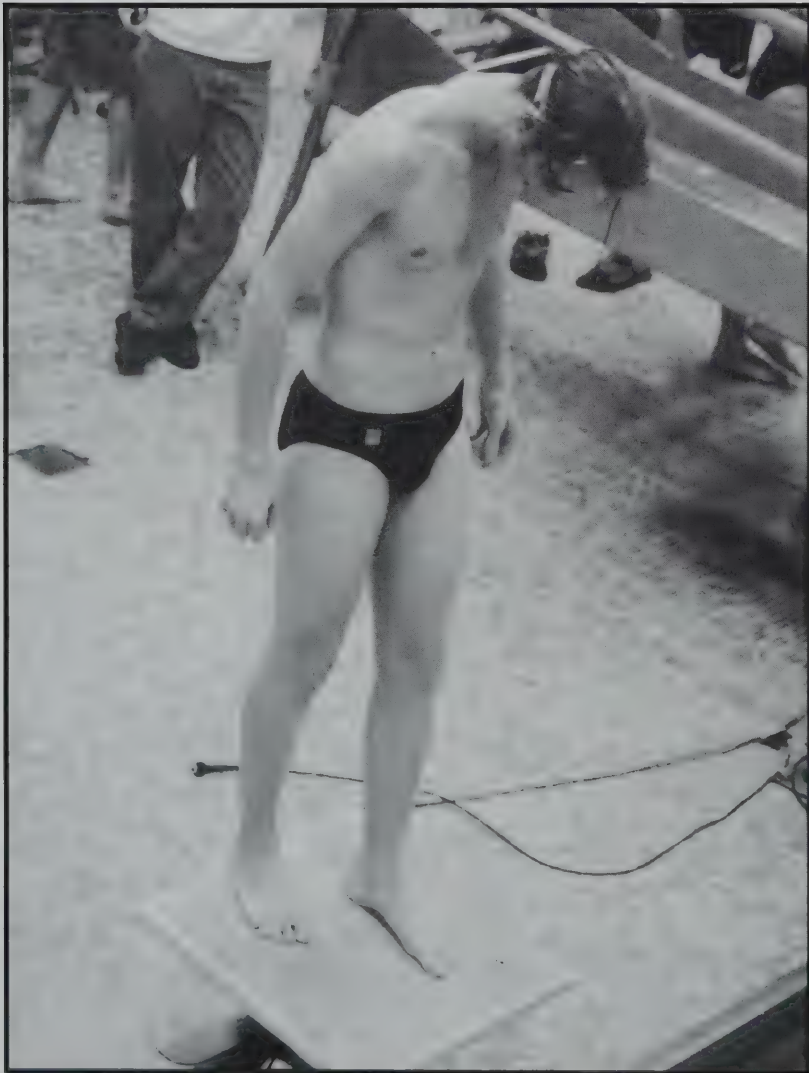

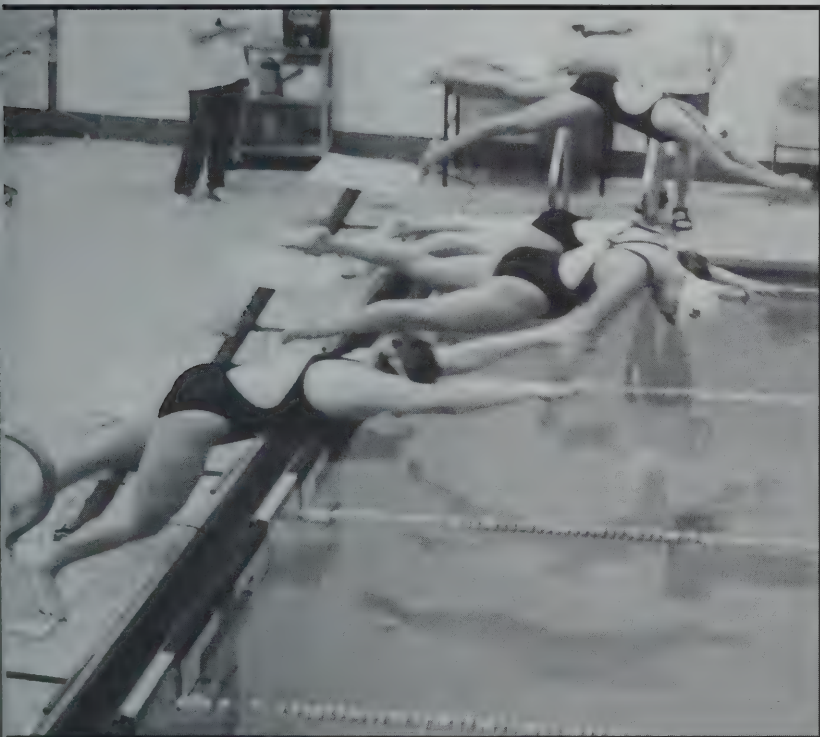

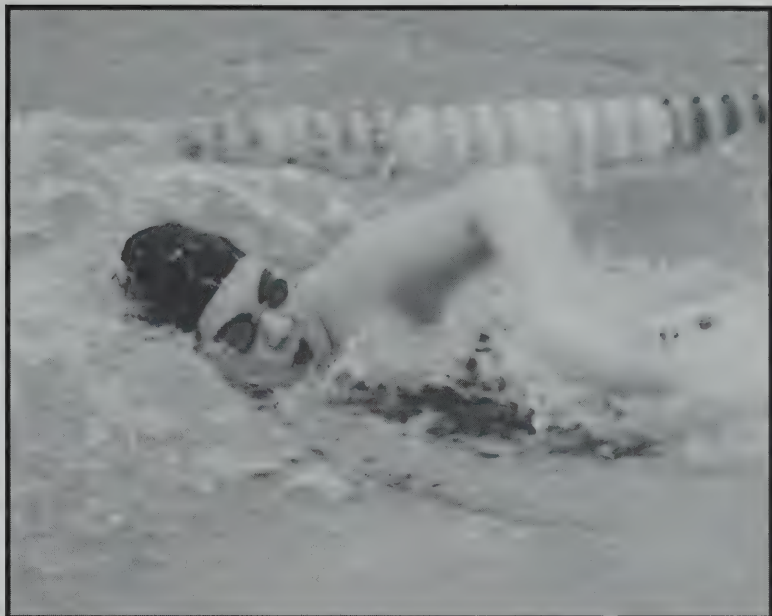

# Swimming and Diving

The women's 1997-1998 team led by captains Tracie Grant and Katie Hathaway came away from the season with five new school records and countless personal bests. Sophomore Siobhan Carney had an outstanding season setting new school records in the 200 yard and 400 yard individual Medleys and the 200 yard butterfly. Junior Tracie Grant set two new school records in the 50 yard Butterfly and the 50 yard Breaststroke. The women's team was also bolstered by the efforts on the boards of Freshman standout Erin Stinchfield.

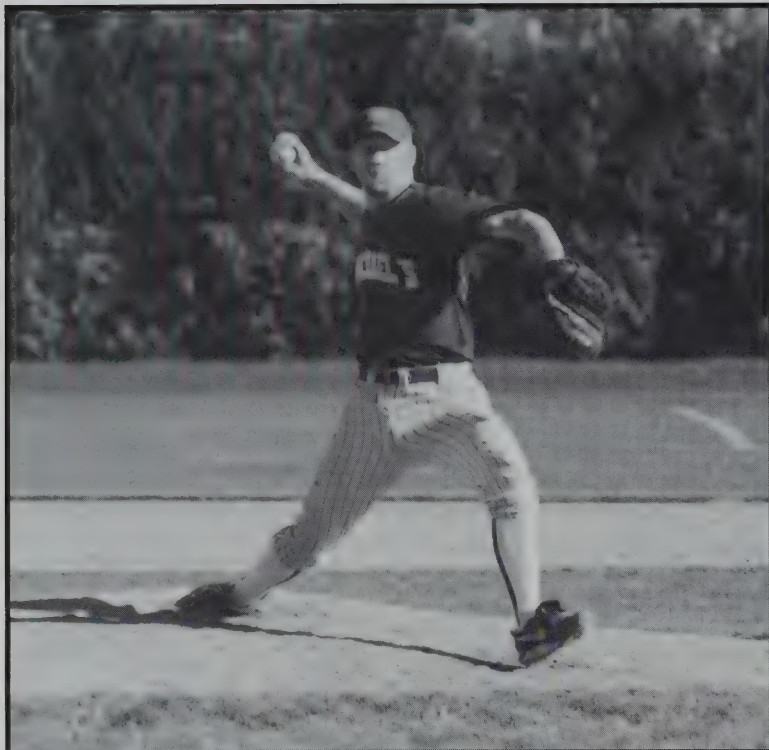

Nineteen ninety seven was a building season for the Saint Michael's College Men's Swim Team. This new team, consisting of four new freshman, one new junior, and one new senior added to the three returning members consisting of one sophomore, one junior, and one senior, added to a great year of competition. Although the men's swim team faced many tough meets and long bus rides, the spectators this year were better then they ever have been before, and we would like to thank them for their encouragement. Also with the encouragement of the returning swimmers and a new assistant coach we brought together a better year in many ways. With everyone's encouragement we needed the year with a better record then last year and also a new record in the 50 breast stroke by a new freshman swimmer, Ben Theriault. We hope to see a lot of great meets in the years to come and more swimmers to join our slowly growing team.

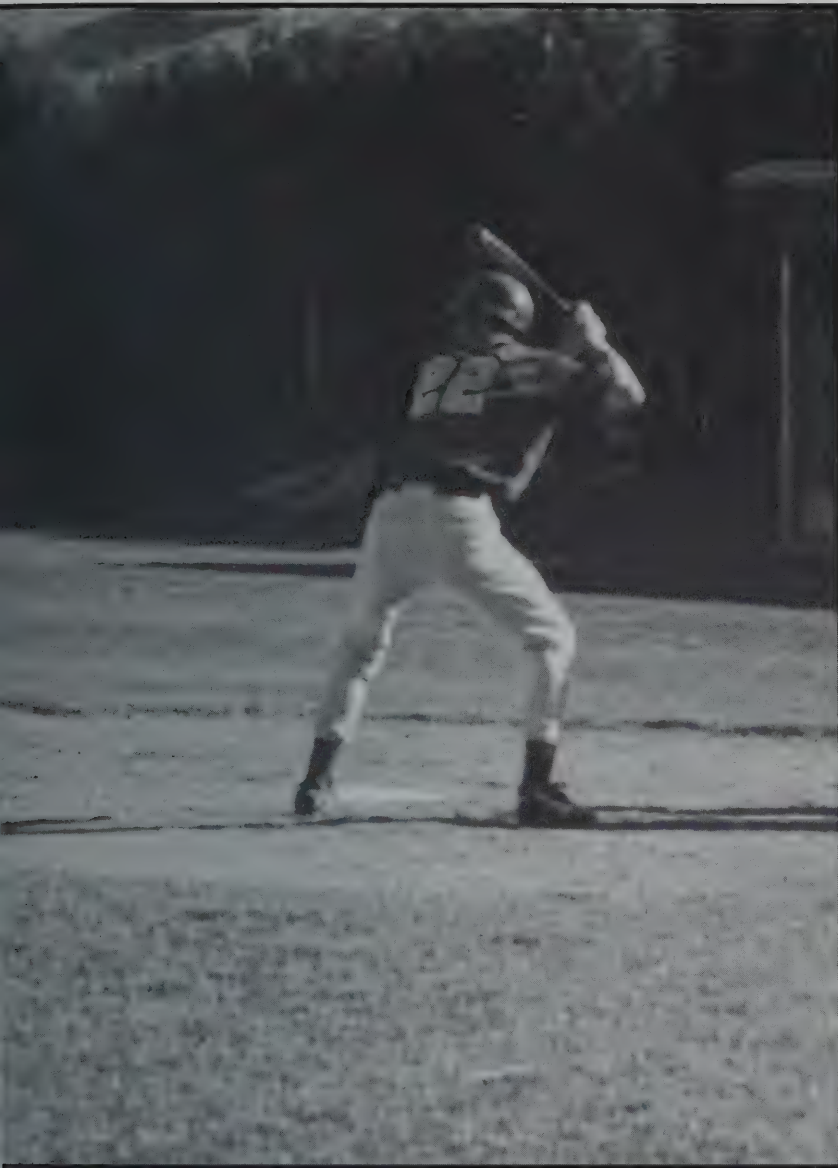

# Baseball

What a great group. Many people say that, "we have really jelled as a team," but that is exactly what we did. This was the most fun I have had in a long time and we played exceptionally well. We finished 8-14 but gave away at least three games and could have easily won another four. That is quite the accomplishment playing in one of the better conferences in Division II baseball. WE had great play from the rookies, our pitching shut some big teams down and there were more than enough laughs to go around. A great team, a great year.

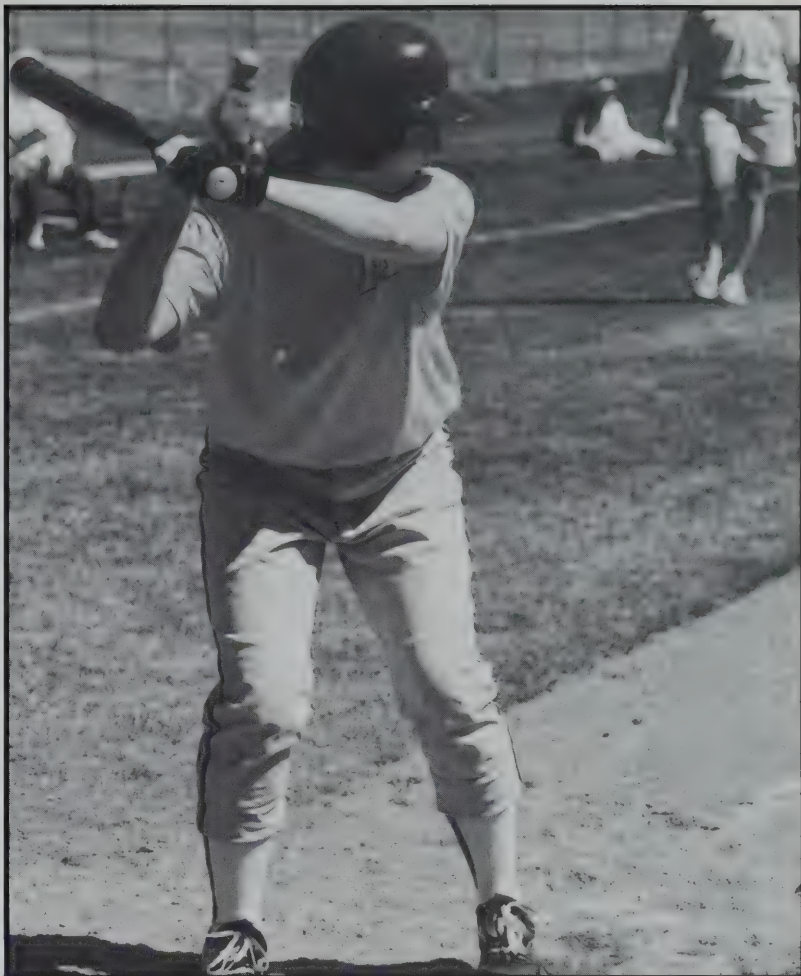

# Softball

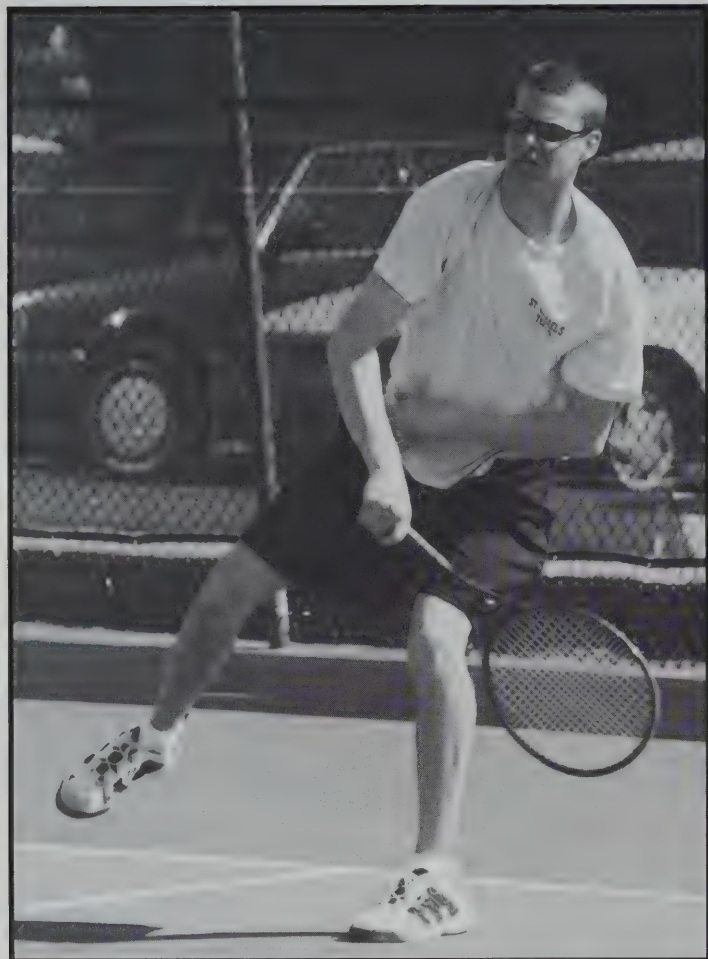

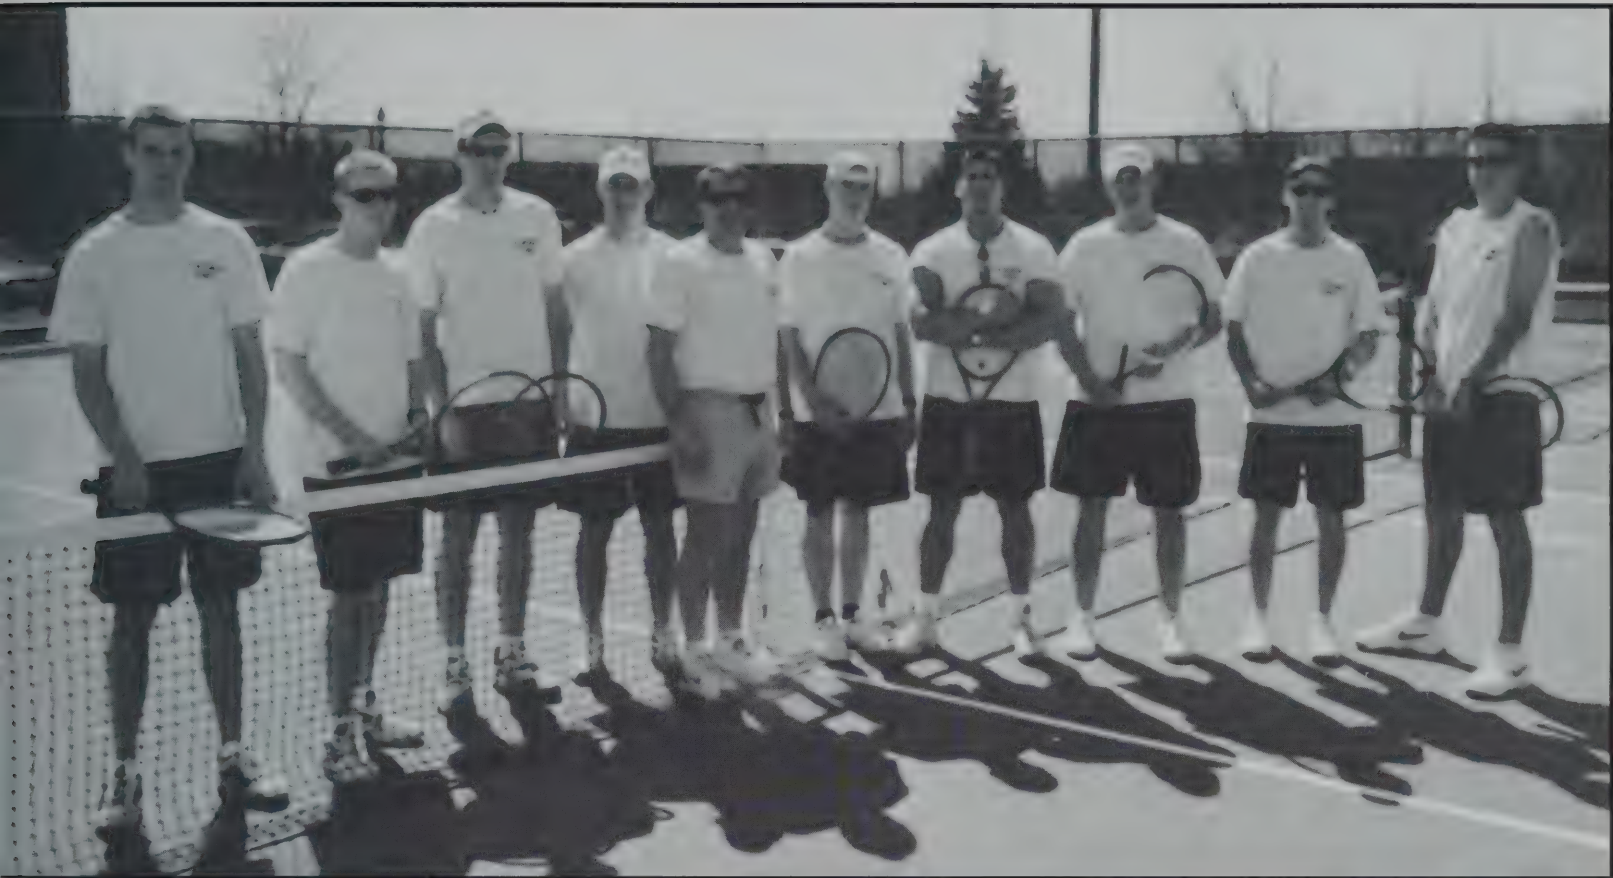

# Men's Tennis

This year's version of the Saint Mike's Men's Tennis Team appeared to be a very good one on paper. Unfortunately, the games aren't played on paper, they're played on tennis courts. The team ended up the season 6-8 overall and 5-5 in the NE-10's. There were a few disappointing losses along the way but some very bright parts as well. Seniors Keith Atchinson and Rob O'Brien led the Knights at the numbers one and two respectively. Atchinson had a very good year in conference play and landed the number two seed in the conference tournament. Sophomore Jeff Hyde and junior Pat Small also had very good seasons in singles play. Rounding out the top six in singles were junior Eric Braun and freshman Tim Murphy.

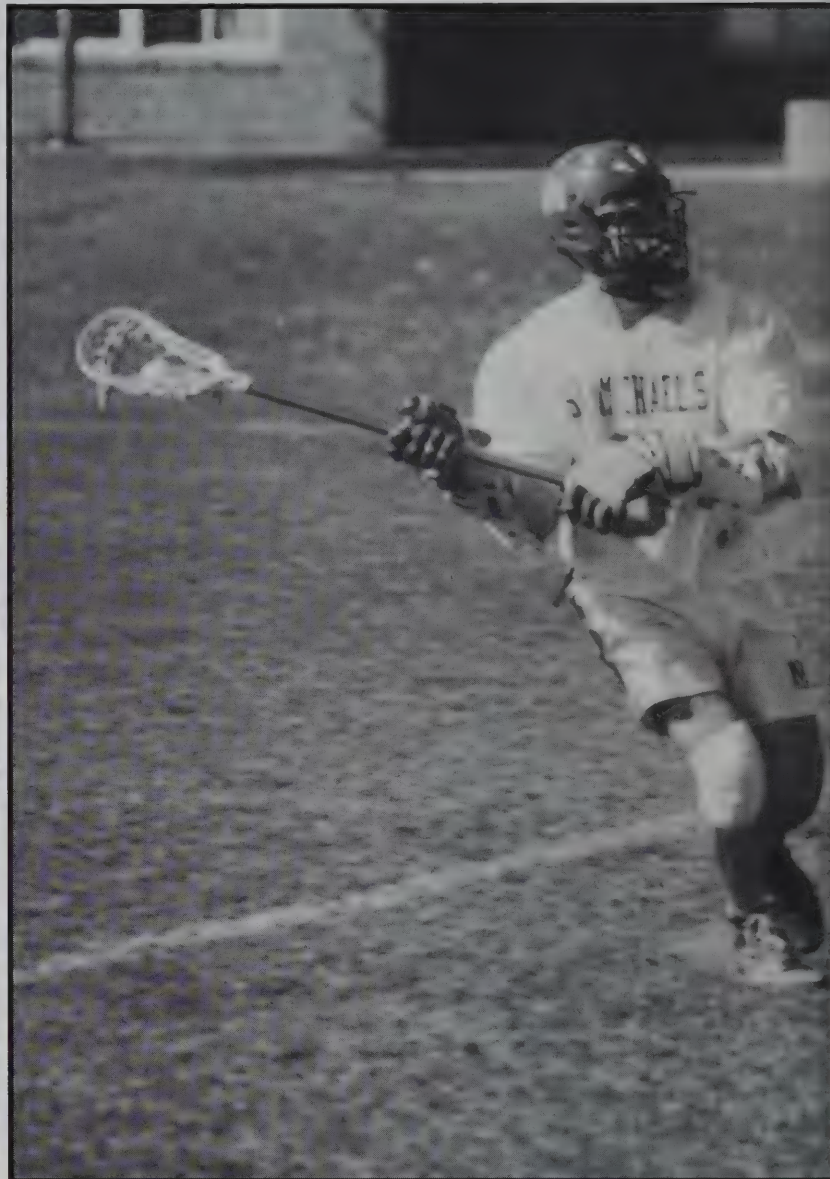

The NE-10 tournament provided a very fortunate draw for coach Steve LaTullippe and his team. Behind some very strong play at all positions, the Knights were able to pull off a few upsets and finished fourth with 36 total points, only one point behind third place LeMoyne. This was the best finish ever in the history of men's tennis. With a lot of hard work over the summer from the returning players, this team appears to be quite deep for next year. By far the best tribute to the team was their camaraderie and the good chemistry among the players.

There are many who are living  
far below their possibilities  
because they are continually handing over  
their individualities to others.  
Do you want to be a power in the world?  
Then be yourself.  
Be true to the highest within your soul  
and then allow yourself to be governed  
by no customs or conventionalities  
or arbitrary man-made rules  
that are not founded on principle.

Ralph Waldo Trine

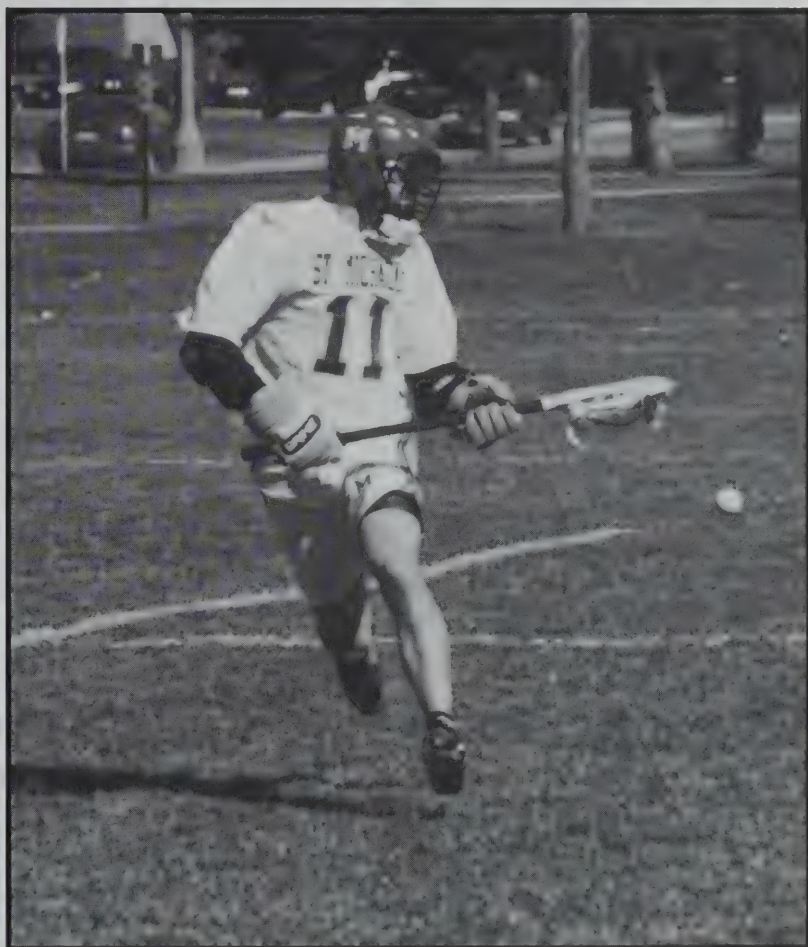

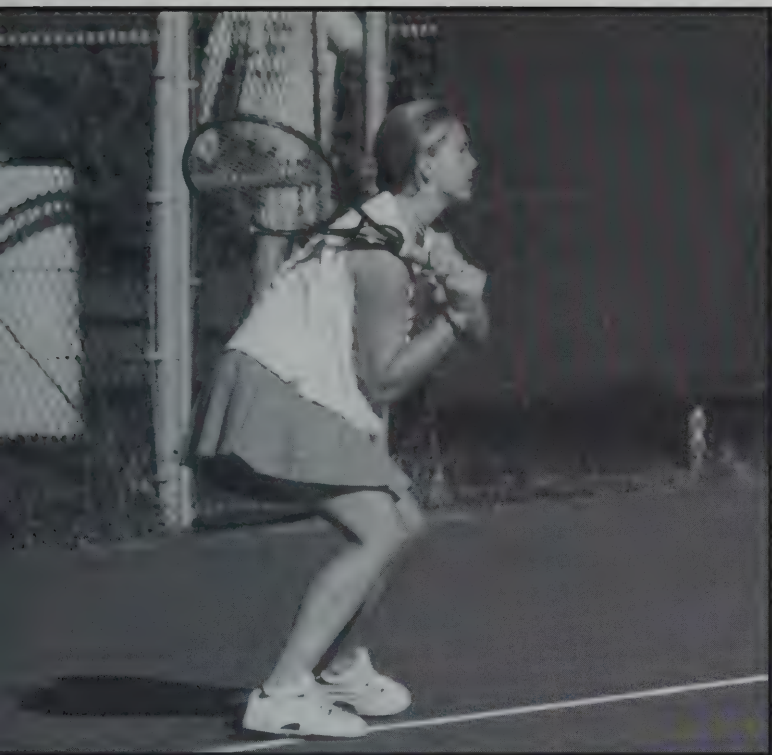

A few years ago at the Seattle Special Olympics, nine contestants, all physically or mentally disabled, assembled at the starting line for the 100-yard dash. At the gun they all started out, not exactly in a dash, but with the relish to run the race to finish and win.

All, that is, except one boy who stumbled on the asphalt, tumbled over a couple of times, and began to cry. The other eight heard the boy cry. They slowed down and paused. Then they all turned around and went back. Every one of them. One girl with Down's syndrome bent down and kissed him and said, "This will make it feel better." Then all nine linked arms and walked together to the finish line.

Everyone in the stadium stood and the cheering went on for ten minutes.  
~Bob French

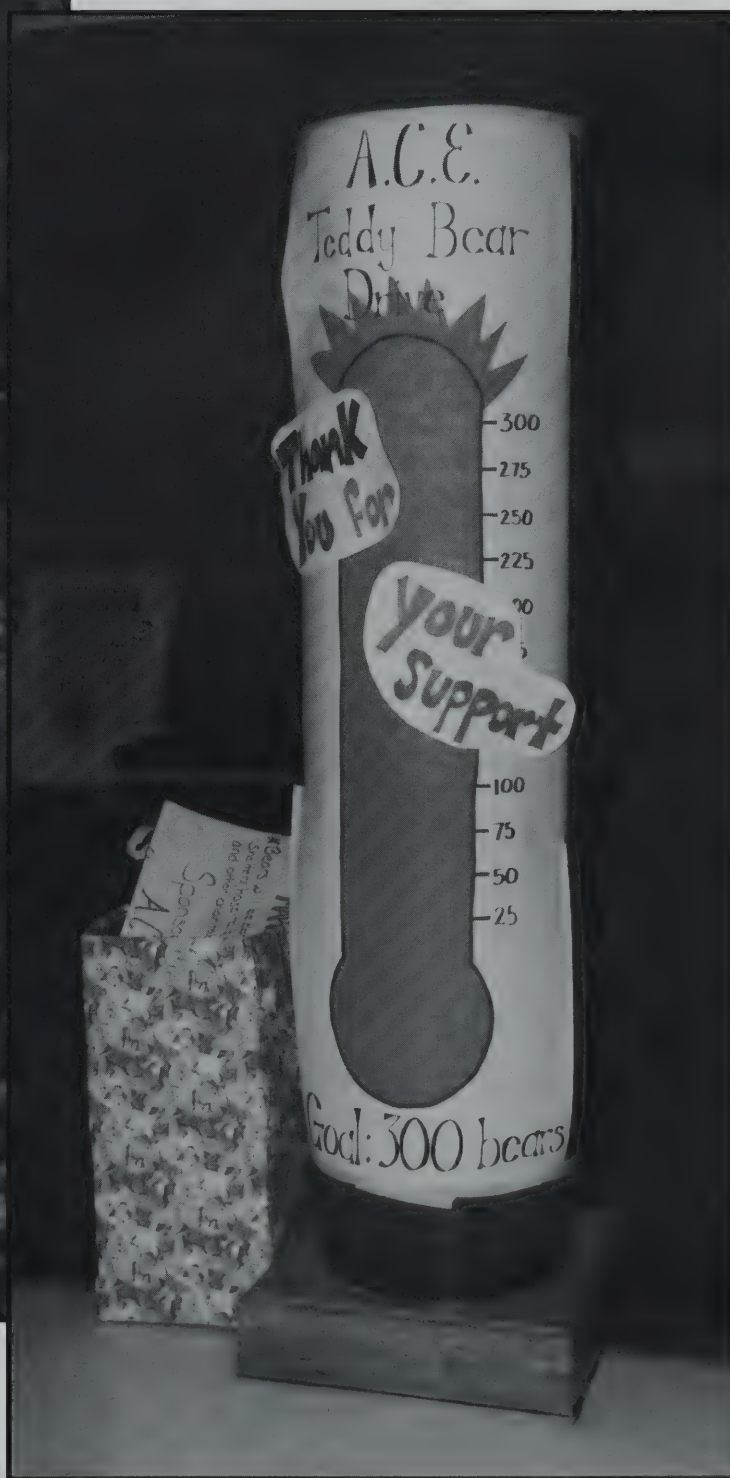

You gain strength, courage, and confidence  
by every experience in which  
you really stop to look fear in the face.  
You are able to say to yourself,  
"I lived through this horror."  
I can take the next thing that comes along."  
You must do the thing you think you cannot do.

## Free the Planet

Free the Planet! St. Michael's College chapter, is a student-run movement for environmental change on St. Mike's campus. Free the Planet! National is a grassroots alliance of students and youth environmental groups coordinating national, regional and local campaigns. It is a network of schools nation wide, working together to hold polluters and politicians accountable to ensure protection of our planet. Free the Planet! encourages on campus and off campus activism, increases environmental literacy and awareness, trains students in campaign strategy and organizing skills, builds leadership and develops effective program work. Free the Planet's! mission is to build support for pro-active environmental solutions and protection, empower the next generation of environmental leaders, and revitalize the environmental movement.

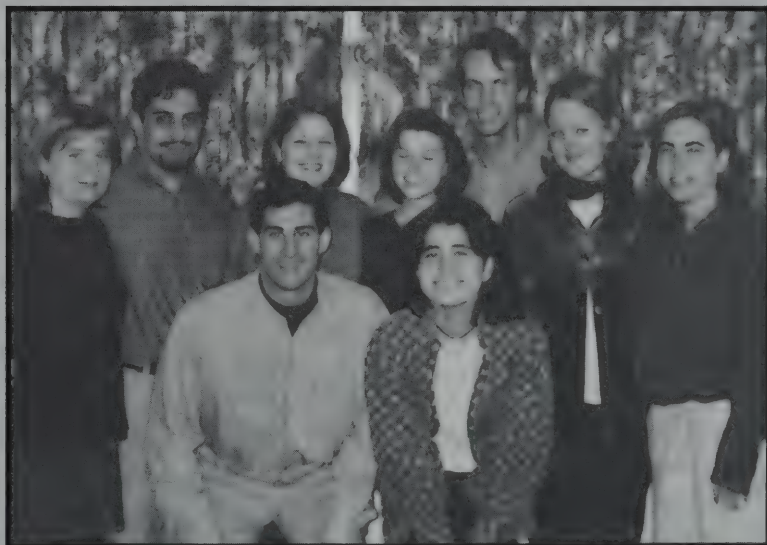

## STAT

STAT (Students Today Alumni Tomorrow) is an organization dedicated to making SMC students aware of the Alumni Association by encouraging their participation in educational and social functions involving the College and Alumni Association. As a group, we strive to develop student's awareness of their significance as a part of the Saint Michael's legacy. During both the school year and summer months, STAT participated in a number of activities including the Job Shadowing Program, an annual Tree Lighting event networking luncheon for seniors, assistance during Homecoming and Reunion Weekends, and an annual Burlington Alumni Chapter Dinner.

## Student Association

Embarking on a wild white water rafting trip in September, the Student Association plunged into a new academic year with the theme of "Making the Pieces Fit". Under the leadership of Heidi Bouchard and Jen Scola, the Student Association brought social awareness activities to the campus with such programs as the Diversity Rally, Wellness Fair, Adopt-A-Family, Howard Zinn and the AIDS Candlelight Vigil. The SA Executive Board wishes the best of luck to the graduating seniors Dan Angelini, Heidi Bouchard, Jeffrey Doucette, and Shelley Richardson.

# SMC Clubs

## College Republicans

The College Republicans at Saint Michael's College seeks to bring a conservative viewpoint to campus, increase student participation in politics, fight voter apathy, and help campaign for Republican candidates for office.

## WWPV

WWPV has experienced many changes in the 97-98 year. The station was on the air throughout the summer, as Station Manager, Tony Carbrello, was able to arrange the position through work-study. He broadcasted the "tc in the morning" show while re-organizing the station & getting it ready for the fall. An energetic & committed staff changed the scheduling process, DJ "lottery" & Music Director in several genres of music. We had the biggest variety of music in the Champlain Valley with many outstanding shows. Among them was "Burlington & Beyond", a project show spotlighting local & regional music & featuring live bands in the station. A project by Kevin Murphy. We developed our own Website in the fall & spring. We also brought back sports broadcasting.

## Wilderness Club

St.Mike's College Wilderness Program is a diverse college based organization that developed out of a student interest and enthusiasm about wilderness activity and education. The "WP" is based on the student leading students philosophy and has successfully trained student leaders in a variety of wilderness and social leadership skills. The majority of programs that the "WP" sponsors require little to no experience. Students are able to participate in programs that range from day hikes and snowshoe trips to technical ice climbing and high altitude mountaineering trips in Ecuador. The "WP" allows students to learn outdoor skills, challenge themselves physically and mentally, meet new people and enjoy all that Vermont has to offer.

## Psy Chi

Psy Chi is the National Honor Society in Psychology with a basic premise of encouraging, stimulating and maintaining excellence in scholarship and advancing the science of psychology. Affiliated with the American Psychological Association (APA) and a member of the Association of College Honor Societies, Psy Chi requires members to have met certain academic standards both in psychology as a major and overall. This national organization recognizes academic excellence through chapter, regional and national conventions, research awards, and a quarterly Psy Chi Newsletter. Membership is lifetime and is preserved on record at the national office in Chattanooga, Tennessee.

## Political Science Club

The Political Science Club started out the fall semester with a bang. Throughout the semester, they maintained a bulletin board that provided not only educational information on issues like feminism & sweatshop labor, but also for students to reply in an opinion section. In addition, they sponsored several speakers including Jennifer Matthews from the National Organization of Women, Congressman Bernie Sanders, & co-sponsored Sr. Chitic, a human rights speaker from Guatemala. One of the most important things that they did during the fall semester was to present the P-day Proposal to the SA which requested that 10% of the P-day budget go to the Burlington Food Shelf & COTS as a humanitarian effort. The big event planned spring semester is the Guerilla Girls, a feminist art group from NY city.

## Defender

*The Defender* & *the Defender Online* are the student-run news publications at St. Mike's College. Both versions are produced by journalism majors who have excelled in various journalism classes offered at St. Mike's. Throughout the years the editors strive to provide a publication that covers the St. Mike's college community by focusing on issues of public concern. We are pleased with the acclaim that we have received from our readers & from professional journalists. This past year, *the Defender Online* became a reality, linking the college with alumni, prospective students, parents & readers throughout the world. Our mission as student editors is to provide all the facets of news to our readers in an accurate, unbiased, professional manner.

## Amnesty International

The Saint Michael's chapter of Amnesty International has been active again this year in educating students about international human rights. Through letter writing campaigns, Amnesty has attempted both to make students aware of human rights abuses and generate vocal opposition to those practices. In addition, this year, Amnesty sent holiday greeting cards to prisoners worldwide who are being held without trial, without being charged with any crime, or in oppressive conditions. The Saint Michael's Amnesty chapter also participated in and helped organize the "Run For Freedom". Through further letter writings, possibly in conjunction with "Coffeehouse", our Amnesty chapter hopes to remain a vigilant voice for human rights at Saint Michael's.

## ALLY

The mission of the student Ally group is to educate the campus community on issues of homophobia & heterosexism, & to make this campus a safer place for lesbian, gay, bisexual, questioning & transgender people. The group is open to all students, faculty, & staff regardless of their sexual orientation. During the 97-98 academic year, we purchased a number of books & videos for our Ally lending library collection; sent representatives to the Vermont Coalition for Lesbian & Gay Rights conference in Rutland, VT; organized a panel with TRANS Vermont to educate the campus community on transgender people; invited Gail Hand, the first lesbian comedian ever to educate St. Mike's; & brought filmmaker, Michelle Parkerson, to present & discuss her movie on Audre Lorde!

## Computer Club

The computer club sponsors a number of Computer Science-related activities, such as talks given by outside speakers on various topics, workshops, and an annual intracampus programming contest. This year, the topics for speakers and workshops included the World Wide Web and the Newton Message Pad. In addition to these events, the Computer Club organizes Computer Science trips, such as the trip taken this year to Boston Computer Museum. The Computer Club also sends a team to an annual programming contest against other colleges from the Northeast and Canada, where, this year, it advanced to the second round for the first time ever.

## Activities

### Diversity Coalition

The primary goal of the Diversity Coalition is to encourage open dialogue, educational opportunity and the chance to celebrate diversity in all human culture and experiences through such means it is possible to break down the barriers founded by ignorance, fear, and homogeneity.

Front: Alyson LaFreniere, Allie Lavoit, Shannon Morrow, Angela MacWhinnie, Back: Randy Orso, Alissa Juvan

### Education Club

The education club is designed to provide knowledge and experiences in our field that normally are not covered in our courses. The club sponsors speakers to come to campus and discuss school issues such as ADHD, and using technology in the class. The club sets up mock interviews with area principles and panel discussions with student teachers.

This year the club held a Halloween party for the children of faculty and staff. There was singing with Josh Brooks, arts and crafts, and various games!

### Psychology Society

The psychology society is a group dedicated to the promotion of the field of psychology. This is done through three primary goals. Informative: what one can do with a psychology degree during and after undergraduate study; Vocational: how psychology as a science applies to the professional world; Community Commitment: acknowledging the needs of the community and addressing these issues through volunteer opportunities. These three goals are accomplished through lectures, presentations, and other applicable opportunities. All psychology majors are members of the psychology society.

# Theme Houses

## Have- a- Heart- Healthy- Living

The Have-A-Heart-Healthy-Living House supports and promotes holistic healthy living through peer education and campus-wide involvement. During the fall we educated the campus about the effects of smoking with table drops in Alliot, smoking facts throughout the academic buildings, and an informational table in Alliot. We asked faculty, students and staff to pledge a smoke-free lifestyle in support of the Great American Smoke-Out. Members of the house ran several workshops in the first-year dorms regarding healthy and balanced eating habits, and also exercising responsibility if choosing to consume alcohol. In February, we raised money for the American Heart Association through the second annual Valentine's Day Flower Sale. After Lent, we went to dorms and held workshops on relaxation and meditation.

## Body Image Awareness

The Body Image Awareness House works to promote mindful living throughout the St. Michael's community. The house began when its members realized that positive body image and eating disorders were not addressed on campus. They work with Health Services, the Athletic Department, Residence Life, UVM, and organizations in Burlington, to educate staff and students about these important issues. By inviting guest speakers about nutrition and the media's portrayal of body image, creating a Mindful Living Support Group, and sponsoring educational floor programs in the residence halls, the members of the house rose awareness on campus.

## Helping Everyone Live Practically & Positively

The life of a college student is multi-faceted. In order to improve this complex life, it is important to take into account the various aspects of everyday life. As a group we feel that we can help the St. Mike's community by addressing the diverse issues that each student may encounter during their college career. Our theme is HELP (Helping Everyone Live Practically and Positively), and through this theme we will explore relationships, academic organizational skills, community service, physical wellbeing, and stress management. We will try to provide the St. Mike's community with ample opportunities to be exposed to each aspect presented in our theme.

Bonnie Samose, Becky Gallagher, Tahnto Coffin, Michelle Dudziak, Jess Harris

## O.W.L.E.

The mission of O.W.L.E. or the Outdoor Wellness Learning Experience was to actively encourage the St. Michael's community to understand and to practice an exchange with the environment through hands on experience and educational effort. This exchange includes acquiring a sense of environmental stewardship and promoting the wellness of the individual along with the environment.

### AIDS Awareness

The AIDS Awareness Theme House was quite successful in spreading its message and reaching out to the community this year. Our goal was to encourage the Saint Michael's College students and individuals in general, to make wise, safe and sober decisions. Most identifiable by our large red ribbon on the outside of our house, we are constantly reminding the community of the fight against the spread of AIDS. A couple of events that we were involved in this year include the AIDS walk in Burlington in which we raised over \$150 in donations, and the second annual Candle Light Vigil, where over 100 people attended. As the battle against AIDS continues to march on, it is our hope that the community as a whole can work together to beat this epidemic. Although the future seems to look a little brighter, there is still a long fight ahead.

## Habitat for Humanity

We chose to establish a chapter of Habitat for Humanity at St. Mike's to help the development of community charity and volunteer work. Habitat for Humanity is a non-profit organization that helps to eliminate homelessness throughout the world. Our main purpose is to generate volunteers and create homelessness awareness on campus. Under the direction of Green Mt. Habitat we participated in the construction of a home in Huntington this fall. This included everything from helping to lay the foundation to being there when the family moved in. To raise awareness we conducted a Shack-A-Thon during National Hungry and Homeless Week in November. Informative talks and presentations to halls and campus groups are other activities we accomplished.

## M.A.S.H.

We, the men of M.A.S.H. (Men Against Sexual Harassment), are committed to educating those who harass about the ignorance and insensitivity of their actions, as well as to educate those who are victims of such hostile behavior. In society today, as it has been historically, the gender dichotomy poses the opposite sex as "other" or "different". Our education intends to unify the sexes and, thus, to diminish gender ignorance and its sexually demeaning behavior.

# What's Happening At Saint Michael's???

This Christmas Party, hosted by the class of 2000, was organized and run for the first time at Saint Michael's College. Presents and a fun-filled afternoon were planned for area children. This might become an annual event for the class of 2000.

Madeline Albright, the U.S. Secretary of State, honored the student body on Tuesday April 7th by attending SMC as a visitor of Senator Patrick Leahy. Seating was limited to 700 persons.

Hypnotist Michael Anthony arrived at Saint Michael's in December, just before finals, to create a fun and entertaining study break. For some it helped them with their finals, but others only woke up the next morning in severe pain.

Last year during P-Day the boys...um sorry...men at the AIDS Awareness Theme House dressed to impress as they compared their strengths in the First Annual 76 College Parkway Tough Man Competition. Who won? Brendan Rynne of course. Unfortunately, the tradition did not continue into 1998. Maybe next year.

Four times a year a unique group of thirty students from on and off campus come together to share experiences, listen to others, and come away learning a little about themselves. LEAP is a two-day experience that before you graduate from Saint Michael's College you definitely need to explore.

Looking back, on the memories of the dance we shared beneath the stars above, for a moment everything was right. How could we have known that we'd ever say good-bye? --- Garth Brooks

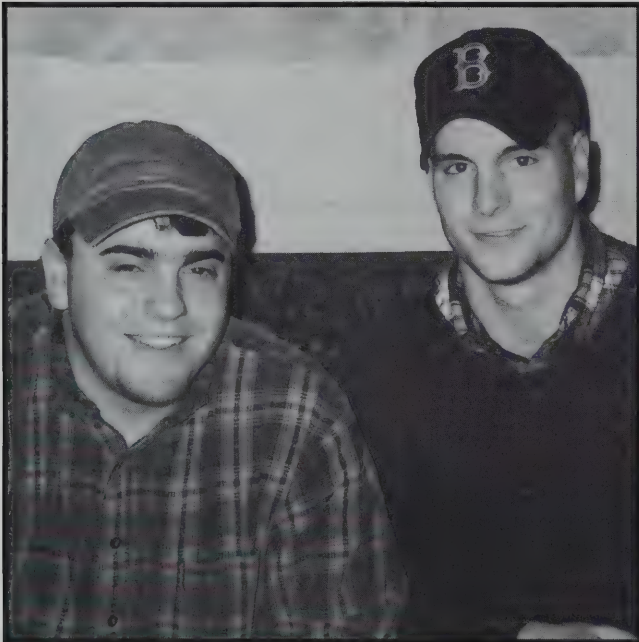

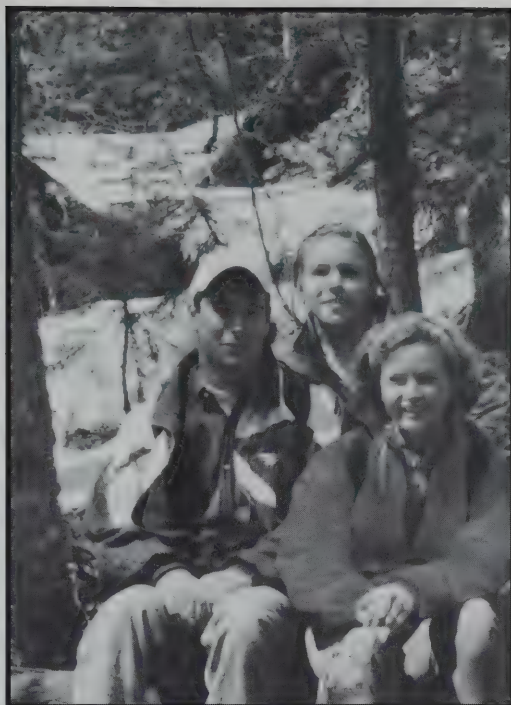

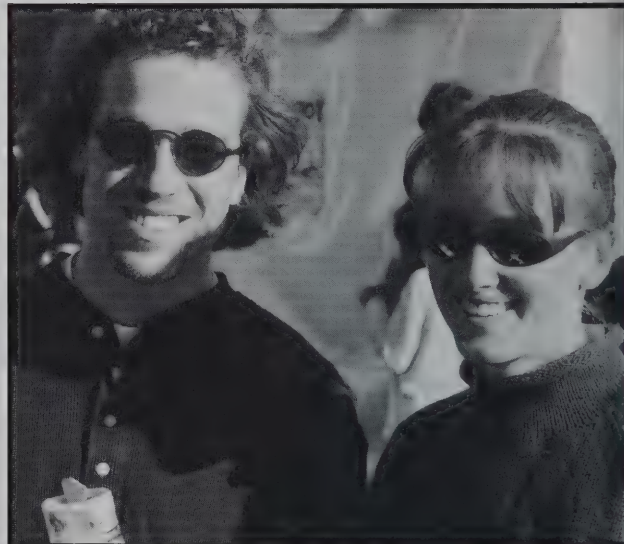

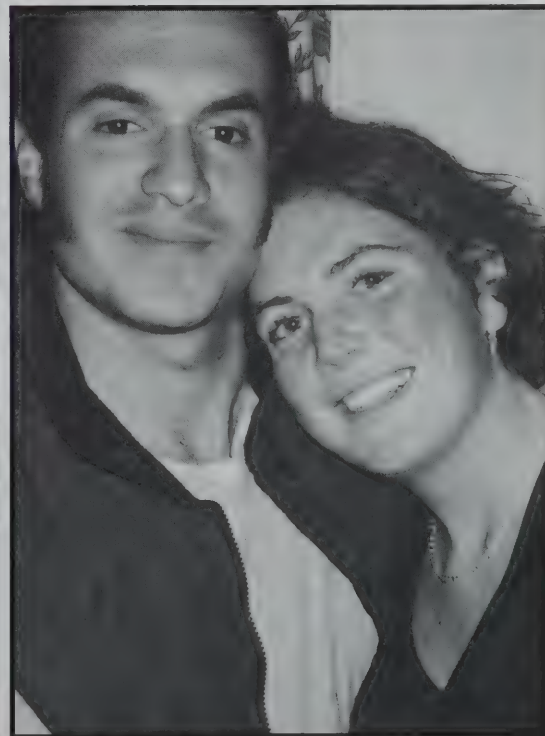

*Life continues to change all around us. We gain and lose jobs, roommates, and friends. New faces and personalities drift into and sometimes out of our lives. Friendships can take a beating in these times of transition. However, any friendship that survives will be all the stronger and more precious.*

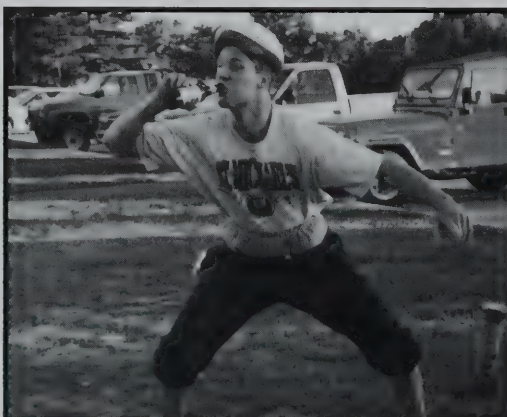

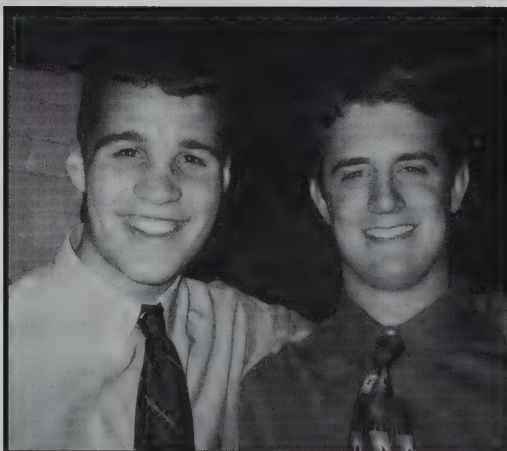

*The memories shared brought smiles, laughter, a few tears, and at last a sense of contentment. For slowly, from our treasured memories a kindred bond began to emerge.*

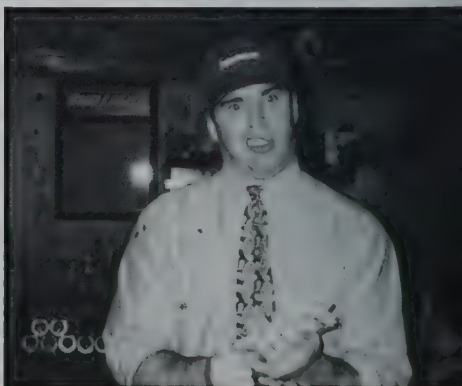

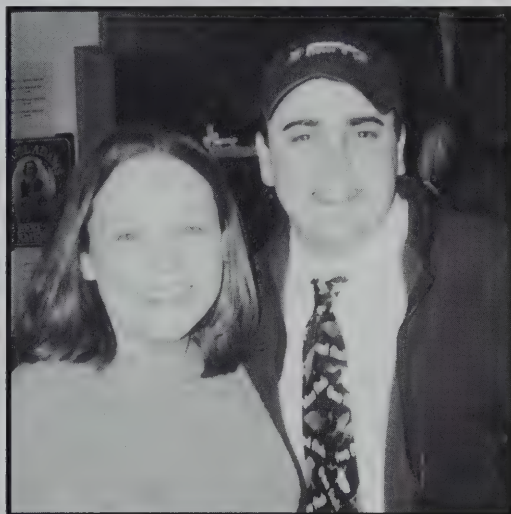

*That's how it is with people sometimes. When you least expect it, a common thread - a golden thread - begins to weave together the fabric of friendship. ~Mary Kay Shanley*

**BROOKE LARSON GINCAVAGE**

Brooke,

You have been a constant source of joy in my life. You have shown such courage and determination through all of the challenges life has thrown your way. There is no doubt that you will succeed in anything you choose to do or be. You have made me proud of you. I can't wait to see what you do for the next 21 years! It'll be a tough act to follow.

All my love, Mom

Jason,  
Congratulations, YOU DID IT!  
We are all very proud of you.

May you continue to achieve  
All that you set out to do.

Love,  
Mom, Dad,  
Brian, Kathryn  
And  
'Bandit'

"It is good to have an end to  
journey towards; but it is the  
journey that matters in the end."

Dear Marianne,

May you always know how appreciated you are.

May you never forget what a blessing you've become to a world that  
 could use more people like you.

May you reap the rewards of kindness.

May your sunshine always shine through.

May love walk by your side.

May friendship sing in your smile.

May opportunity remember to knock on your door and surprise you once

**Dear Lisa,**

We've always loved you in a special way because you were the beginning. You were the first, the child that made us a family. You survived our lack of experience and taught us how to cope with the unexpected.

You were the friendly one, the adventurous one. You were the poet, the actress. You touched many people's lives, and they all remembered your spirit. You are then tenacious one. When you set your mind to something, you don't give up.

It's hard to believe that the years have flown by so quickly. You have given us memories that will last forever. We love you and believe in you. We know that you can do anything your heart desires. So go set the world on fire, but remember we will always be there for you. No matter how old you are or where you go, you will always be our little girl.

It would take your writing skills to tell how we feel about you today. You have given all of yourself, every day, for these last four wonderful years. We are so proud of you and you should be proud of yourself, as every deed you have done was done for Him. Your accomplishments are many; may the path ahead continue to be blessed and filled with wonder and success.

You have new horizons to walk, new trains to "catch" and new mountains to climb.

May all your adventures be traveled on roads To Emmaus!

You two are the most incredible friends a person could ask for. Michelle, you and I have been best friends for almost eight years and Meg, you were my first and best friend here at Saint Michael's. The two of you have always been there for me through good times and bad.

Although we're moving into a new stage in our lives, I know I'll remain friends with you forever. I love you both and thank you for all the fun and for everything you've done for me. My two fondest memories at Saint Michael's are you two, my incredible roommate and my field hockey buddy. Good luck in all you do. I know you'll both succeed.

Each year a yearbook is published in order to capture senior year memories for each graduating class. The staff hopes that every time you open this book you'll be reminded of instances during your senior year that otherwise might have been forgotten. We have published this book for you as a record of what you've participated in and all that you have accomplished here at Saint Michael's College.

Without the help of Jostens' representative Mark Saks, Finest Image Photography's Kevin and Anne Macy, and the Hilltop's advisor Jennie Cernosia, you might not be holding this book. Our appreciation and thanks go out to those individuals.

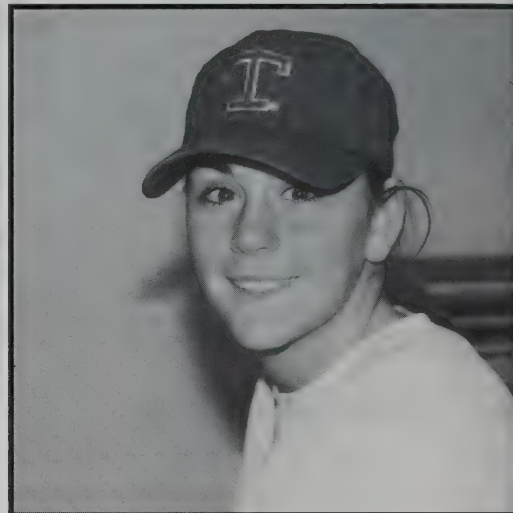

Finally, we want to thank faculty, administration, sports teams, clubs, and most importantly the Class of 1998 for their input, assistance, and cooperation. We could not have done it without you.

My personal thanks and pride are sent to the staff for their unending effort, time, and creative ideas. It was a wonderful experience, one that I will truly never forget.
